

# ACRYLIC DISPLAY PLATES

You can present your food better and work quicker with the new acrylic catering plates.

Products are displayed to their best advantage thanks to the acrylic support that captures the light. The size (up to 60x40cm) means you can present and move a large quantity of products in a very short timeframe.

## Ideal products for :

- ▶ Buffets presentation (pastries, chocolates, gourmet, deli, sandwiches...)
- ▶ Refrigerated showcases.

- ▶ **Platex exclusive**, frosted acrylic presentation plates.
- ▶ Available in 6 sizes : 60x40, 60x20, 30x40, 20x40, GN 1/1, Ø34cm.
- ▶ **Clean with soapy water, do not put in the dishwasher.**
- ▶ **Complies with food standards.**
- ▶ **Compatible with scales 60x40 and standard Gastronorm.**
- ▶ **Stackable.**
- ▶ Exists in lucite or black.
