

# PLATEX MAT

## Standard and frilly

### Stylish quality

Laminated trays are suitable for light usage.

They offer a wide range of possibilities for decoration and choice of colours for sophisticated and personalized service.

### Quality and esthetics

With the Platex laminated melamine tray, you will have an exceptional tray : its wooden core makes it unique.

This tray is particularly dedicated to regular but non-intensive use.

You are advised to dry it before stacking.

- ▶ Laminated melamine tray with a wooden core providing with slight flexibility for inertia reduction. Matte finish.
- ▶ Dishwasher safe.
- ▶ Double melamine front/back.
- ▶ Top-of-the-range production.
- ▶ Full drying recommended before stacking.
- ▶ Personalized decoration (minimum 400 pcs).
