

POLY-STR HANS

The best in trays.

Leading tray specially designed for institutions requiring heavy usage from their trays.

Extremely strong, attractive tray.

Available in many sizes and colours.

The Poly-Str Platex is guaranteed unbreakable for 10 years.

The Hans is the first polyester tray with integrated handles. With its original shape and down-turned rims, the new Platex Poly Str tray combines a unique design based on traditional trays used by the general public with recognized quality.

The Hans tray is particularly well-suited to cafeterias looking for an original, esthetic tray that is comfortable for users.
