
blu'box 13 smart series

blu'box 13 smart eco

The blu'box 13 smart eco is the economy version of the blu'box 13 series. It can be closed by a closing clip and is built for GN cases 1/1, 100mm (or fragmentation).

L/B/H (mm): 630/370/203
Weight: 4,8 kg

blu'box 13 smart standard

As well as the blu'box 13 smart eco the blu'box 13 standard is built for the transport of food in GN cases 1/1, 100 mm (or fragmentation). This box does have swing-out and round handles which assures a safe and easy transportation.

L/B/H (mm): 630/370/203
Weight: 5,2 kg
